Dear John Allen:

Enclosed you will find some information that may be suggestive and helpful in writing the letter soliciting funds for scholarships for the Summer Seminar in Missions. We certainly do appreciate your cooperation in this project. Somehow I feel that the Lord is going to bless our efforts. It is not going to be an easy job, however, to secure the amount of money needed for the project. It will take a lot of effort.

The December dates that you gave for a meeting in Memphis were a little late. We are having Ray Chester here on November 7, 8, and 9. We will look forward to seeing you in Memphis on November 21 for the conference.

The Lord willing I plan to be at the West Islip Mission Conference on Saturday and Sunday of this weekend. The experience there should be very wonderful.

Jim Bill McInteer is planning to work up a meeting some time next month for me to appear in Nashville and submit our proposition to the brethren in that city. He and Ira North seem very interested in what we are trying to do and want to help in every way possible. Present plans call for my attendance at the Pan American Lectures November 13-19 which will be held this year in Puerto Rico. In addition to my assignment Reuel Lemmons asked that I take his place as the concluding speaker since he will have to leave early in order to get to the Far East Fellowship in Tokyo. There are many encouraging things taking place in our brotherhood today. Keep up your good work.

In His service,

  
George Gurganus
